

Sage Continues to Lead NC:

Sage Built remains in the Top Ten Participating Builders of the National Association of Home Builder's Green Certified Homes according to www.nahbgreen.org.

CEO of Sage Built, Rex Vick, Jr., states that “sustainable design or building green is an opportunity to use our resources efficiently while creating healthier homes and living environments.

It provides cost savings through improved human health and productivity, lower cost building operations, and resource efficiency—and it moves us closer to a sustainable future”. Sage Built is proud to be participating in the 6th Annual Green Home Tour. Sage Built is a consistent participant in this annual tour. Sage's entry this year aka “Tomorrow's Leader” is located in [The Hamptons](#), located just down the road from downtown Chapel Hill and around the corner from [Fearington Village](#).
