Sage and Windjam attend 2011 LiveSouth Real Estate Show in Washington, DC.

(Washington, DC February 25th) - [Windjam Development Group](#) and its building division, [Sage Built](#), participated in the [LiveSouth](#) show this past week in order to introduce [The Hamptons](#) and [The Villas at Forest Hills](#) to residents in the Northeast. Over 1,200 people attended and expressed strong interest in relocating to the South. It was refreshing to expose our exclusive properties in the Village of Pinehurst and Chapel Hill to serious buyers rather than just casual shoppers. Rex Vick, Jr, President of Windjam Development and Sage Built, expressed, "Pinehurst has become the world-renowned destination for professional golfers. The Villas at Forest Hills is proud to now be connected to this legacy. Most of the attendees had already visited Pinehurst Resort with pleasurable memories and thus our sales team's job was immediately made easier". The Villas of Forest Hills includes memberships to the exclusive Pinehurst Country Club in each purchase of a Villa, which are all [NAHB Green Certified](#) and [Energy-Star Certified](#). Rex further states that, "the Windjam team looks forward to future participation in more LiveSouth shows as the interest our particular project was exceptionally strong and numerous Discovery Tours have been scheduled to visit Windjam's properties".
